

MTH-603

Assignment 1

Spring 2024

Due Date: May 6, 2024

Marks: 10

Please READ the following Important Instructions before attempting this Assignment:

1. The course is segmented into four Sections, each of which is supervised by a different Section Incharge. You can find details of your Section Incharge in the Course Information tab for this course on VULMS.
2. Every Section will have its own Assignment file resulting in FOUR separate (and different) assignment files. Your Section Incharge will provide you with your Section's Assignment file through an announcement in your Section.
3. You will prepare the solution of your Section's assignment file on Microsoft Word and upload at the assignment interface on VULMS as per usual practice.
4. **If you upload the assignment file of any other sections, you will be awarded with zero mark.**

You can download the assignment file of your section from the announcement.
